

medical assisting services

GENERAL COURSE INFORMATION

This two-year certificate program is designed to prepare students for entry-level positions as Medical Assistants in medical office businesses. The students will receive training in numerous areas, giving them an understanding of the varied responsibilities and skills necessary for employment. Upon successful completion students may take the American Medical Technologist (AMT) certification exam to become a Registered Medical Assistant (RMA). This program is taught in partnership with Coconino Community College.
